Gymnastics Floor Beam - 9ft

Product details

The All Rounder Gymnastics 9ft Floor Beam is 9ft (2.74m) long and 10cm wide (Olympic Beam width). Made of a wood inner and a firm EVA foam it is covered by professional grade suede making it the perfect tool to practise moves at floor level in a safe environment. The beam comes in two pieces that are easily connected together making storage very easy. The metal beam legs screw in very easily meaning the floor beam is extremely secure and sturdy. It gives the gymnast the feeling of a being on a full height beam but at floor level:-

- 9ft long x 10cm wide
- Arrives in two pieces that are easily connected together but can be re-split for easy storage
- Designed by high level Gymnasts
- Made from a wooden inner covered by a firm EVA foam and a suede cover ensuring a beam like feel
- Can be assembled in minutes
- Pink colour
